

SPECIAL MEETING
INLAND WETLAND AGENCY
SITE WALK MINUTES
90 LEONARD DRIVE AND 407 JUDSON AVENUE
FEBRUARY 21, 2018 2:15 P.M.

ROLL CALL

Agency: Sutphen, Williams, Beglau
Staff: Jones, Allen, Zonarini
Others: E. Wenke (90 Leonard Drive only)

The Agency, staff and others met at 90 Leonard Drive at 2:15. They looked at the Leonard Drive drainage outlet. They noted the location of the proposed building and the bio retention basin. They noted the wetland and pond locations.

The Agency and staff met at 407 Judson Avenue at 2:45. They noted the location of the proposed addition and driveway expansion, as well as the watercourse that runs along the north side of the property just over the property line.

The site walk ended at 3:00 pm. No motions were made and no action was taken.

Eunice Sutphen, Vice-Chairman
Inland Wetland Agency
